

The Tribune INTERVIEW: SUKHVINDER SINGH SUKHU, CHIEF MINISTER

'Controlled corruption, rolled out schemes to improve financial health'

PRATIBHA CHAUDHAN TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5 The Congress government has faced a political upheaval and financial constraints in its first two years in office but Chief Minister Sukhvinder Singh Sukhu is optimistic that the decisions taken by his Cabinet to make Himachal self-reliant will yield positive results.

TWO YEARS OF CONGRESS GOVT

In an exclusive interview with The Tribune, the Chief Minister shared the road map for the next three years to not only fulfil the remaining guarantees but also ensure that the financial health of the state improves and the rural economy is strengthened. ■ What are your biggest achievements in the first two years of rule? It has been my dream to bring about 'Vyavastha parivartan' for laying the foundation of a self-reliant Himachal, the results of which are becoming visible. We had inherited a debt-ridden state where it was difficult to even meet day-to-day expenses. In the first two years, we were

able to generate an additional revenue of Rs 2,200 crore. It is only by making Himachal self-reliant that we can ensure the welfare of every section of society that the previous BJP regime failed to do. ■ What are the priority sectors and targets of the road map for the next three years? We will promote tourism, hydropower, food processing, dairy and data storage industries. The thrust will be on strengthening the rural economy and for which an MGNREGA wages have been raised, milk procure-

ment and the MIS for wheat and maize have been increased. The thrust will be on the hydropower sector but by seeking our legitimate rights. The SJVNL has become a company with Rs 6,700 crore turnover through hydropower in Himachal while our budget is mere Rs 5,800 crore. We are strengthening tourism infrastructure to generate job avenues. ■ The resource crunch is the biggest impediment faced by your government. How will you improve it with little hope of help from the Centre? Initially, we did face a prob-

lem but now we have passed that stage. We have now developed our resources, irrespective of any help pouring in from the Central Government. We launched many new schemes and ended corruption, thus improved the financial health of the state. No Chief Minister is permanent but the interests of the state must be protected at all cost. So, I have demanded higher free power from the Luhri, Dhuala Sidh, Sunni and Duggar hydroelectric projects. All our plans might not fructify but a major leap has been taken to make Himachal self-reliant. We will get Rs 1,000 crore from the Shong Tong project from 2026, Rs 500 crore from solar power and enhanced revenue from hydropower. ■ How has your government generated resources and cut wasteful expenditure? It is through fiscal prudence and discipline that several corrective measures have been taken to bring the derailed economy on track and positive results are becoming visible. We should ask the BJP

what decisions it had taken in the interest of common people. We are spending Rs 27,000 crore every year on salaries and pensions of the employees. Our annual budget is Rs 58,000 crore with a hole (shortfall) of Rs 4,000 crore due to the non-receipt of the anticipated income from areas like water cess, which added to our financial problems. In June 2022, the BJP regime had distributed freebies but I took a bold decision to reimpose the withdrawn VAT on diesel, withdrew power subsidy from income tax payers and charged commercial water rates from hotels and industry in rural areas. ■ Will you continue with the harsh decision to withdraw subsidies from the rich and income tax-payers? There is a misconception that subsidies help win elections. I firmly believe that the economically weaker sections of society must get all benefits and the well off people must be excluded. I will not hesitate to take more such decisions in the interest of the state.

CM gives away ₹14.77 cr to 21 medal winners

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5 Chief Minister Sukhvinder Singh Sukhu today gave away cash rewards amounting to Rs 14.77 crore to 21 international medal winners at a function organised here today. He said that the state government was committed to rewarding the struggles of sportspersons and fostering a strong sports culture in the state. Sukhu said, "My government has made an unprecedented increase in the prize money to encourage players and inspire the youth to participate in sports. The prize money for athletes overcoming physical challenges has been increased eightfold to bring it

on a par with the reward for able-bodied players." He said that the prize money for gold medal winners in the Olympics, Winter Olympics and Paralympics had been increased from Rs 3 crore to Rs 5 crore while the silver and bronze medalists would now receive Rs 3 crore and Rs 2 crore, respectively. "For the Asian Games and the Para Asian Games, the prize money for the gold medalists had been increased from Rs 50 lakh to Rs 4 crore, from Rs 30 lakh to Rs 2.50 crore for silver medalists and from Rs 20 lakh to Rs 1.50 crore for the bronze medalists. The Commonwealth Games medalists will now get Rs 3 crore, Rs 2 crore and Rs 1 crore for gold, silver, and bronze medals,

respectively," he added. Sukhu said his government had also hiked the diet money for players. "The Under-17 and under-19 players now receive Rs 400 and Rs 500 per day for the state and national-level competitions as compared to Rs 150 and Rs 250 earlier. For under-14 players, the allowance has been increased to Rs 250 and Rs 400 from Rs 120 and Rs 250," he added. He said that sportspersons staying in hostels were now getting Rs 400 per day. Besides, the government had also revised the travel allowances — players are entitled to the AC three-tier fare for distances up to 200 km and the economy class airfare for longer distances.

Baddi SP's leave extended again

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5 Baddi SP Ilma Afroz, who has been on leave for over a month has been granted another leave extension of a week. A senior police officer confirmed that the SP had applied for leave extension and the department has approved it. Initially, Afroz was granted a 15-day leave that began on November 7. However, on the completion of her leave, she was granted leave extension for a week till November 28. Similarly, on November 29, her leave was once again extended for a week and now, another extension has been granted to her. As per the Police Depart-

Afroz was granted 15-day leave from November 7 ment, she was granted leave as she wanted to visit her hometown in Uttar Pradesh to attend her mother, who was said to be unwell. The Police Department confirmed it after reports of the SP's rift with a Congress MLA started to make news. At present, Vinod Kumar, Commandant of 8th Battalion, Home Guards in Chamba district, has been overseeing police operations in Baddi. He has been given the responsibility till Afroz resumes her duties on her return from leave.

Rain, snowfall likely from Dec 8

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5 The prolonged dry spell in the state is likely to end in the next couple of days. As per the Weather Department, precipitation is "very likely" to commence from the night of December 7 and continue till December 9, with intensity to peak on December 8.

Scattered to fairly widespread precipitation of light to moderate intensity along with thunderstorm/lightning is very likely over most parts of the state during this period. Light rain/snowfall is likely in Shimla city and light to moderate snowfall in Kufri and adjoining areas on December 8 and 9. Light to moderate rainfall

is likely in the plains and low hills, and light to moderate rainfall/snowfall in the mid and high hills of the state during the period. Snowfall is very likely in the districts of Lahaul-Spiti and Kinnaur and the higher reaches of Chamba, Kangra, Kullu, Mandi, Shimla and Sirmour districts. The precipitation is likely to decrease signifi-

cantly from December 10. There is a probability of moderate to dense fog over some parts of the reservoir area of the Bhakra Dam (Bilaspur) and the Balh valley (Mandi) early morning on December 10. There can be traffic congestion and disruption in essential services and communication facilities in the higher reaches.

Traffic beyond Darcha allowed only today

The Tribune INTERVIEW: SUKHVINDER SINGH SUKHU, CHIEF MINISTER

'Controlled corruption, rolled out schemes to improve financial health'

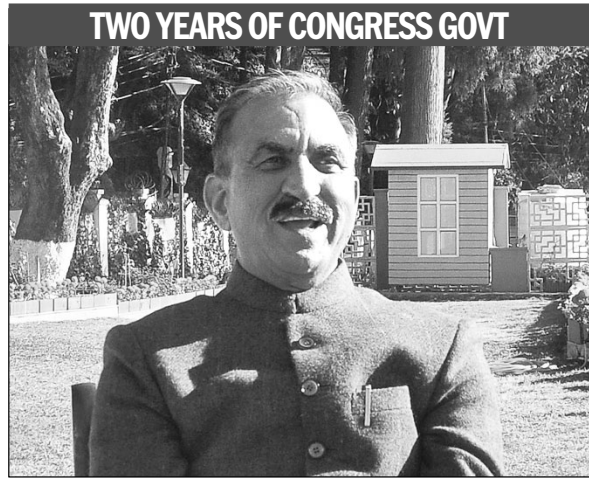

PRATIBHA CHAUDHAN
TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

The Congress government has faced a political upheaval and financial constraints in its first two years in office but Chief Minister Sukhvinder Singh Sukhu is optimistic that the decisions taken by his Cabinet to make Himachal self-reliant will yield positive results.

In an exclusive interview with *The Tribune*, the Chief Minister shared the road map for the next three years to not only fulfil the remaining guarantees but also ensure that the financial health of the state improves and the rural economy is strengthened.

■ What are your biggest achievements in the first two years of rule?
It has been my dream to bring about 'Vyavastha parivartan' for laying the foundation of a self-reliant Himachal, the results of which are becoming visible. We had inherited a debt-ridden state where it was difficult to even meet day-to-day expenses. In the first two years, we were

TWO YEARS OF CONGRESS GOVT

able to generate an additional revenue of Rs 2,200 crore. It is only by making Himachal self-reliant that we can ensure the welfare of every section of society that the previous BJP regime failed to do.

■ What are the priority sectors and targets of the road map for the next three years?

We will promote tourism, hydropower, food processing, dairy and data storage industries. The thrust will be on strengthening the rural economy and for which an MGNREGA wages have been raised, milk procure-

ment and the MIS for wheat and maize have been increased. The thrust will be on the hydropower sector but by seeking our legitimate rights. The SJVNL has become a company with Rs 6,700 crore turnover through hydropower in Himachal while our budget is mere Rs 5,800 crore. We are strengthening tourism infrastructure to generate job avenues.

■ The resource crunch is the biggest impediment faced by your government. How will you improve it with little hope of help from the Centre?
Initially, we did face a prob-

lem but now we have passed that stage. We have now developed our resources, irrespective of any help pouring in from the Central Government. We launched many new schemes and ended corruption, thus improved the financial health of the state.

No Chief Minister is permanent but the interests of the state must be protected at all cost. So, I have demanded higher free power from the Luhri, Dhuala Sidh, Sunni and Duggar hydroelectric projects. All our plans might not fructify but a major leap has been taken to make Himachal self-reliant. We will get Rs 1,000 crore from the Shong Tong project from 2026, Rs 500 crore from solar power and enhanced revenue from hydropower.

■ How has your government generated resources and cut wasteful expenditure?
It is through fiscal prudence and discipline that several corrective measures have been taken to bring the derailed economy on track and positive results are becoming visible. We should ask the BJP

what decisions it had taken in the interest of common people.

We are spending Rs 27,000 crore every year on salaries and pensions of the employees. Our annual budget is Rs 58,000 crore with a hole (shortfall) of Rs 4,000 crore due to the non-receipt of the anticipated income from areas like water cess, which added to our financial problems.

In June 2022, the BJP regime had distributed freebies but I took a bold decision to reimpose the withdrawn VAT on diesel, withdrew power subsidy from income tax payers and charged commercial water rates from hotels and industry in rural areas.

■ Will you continue with the harsh decision to withdraw subsidies from the rich and income tax-payers?
There is a misconception that subsidies help win elections. I firmly believe that the economically weaker sections of society must get all benefits and the well off people must be excluded. I will not hesitate to take more such decisions in the interest of the state.

The Tribune INTERVIEW: SUKHVINDER SINGH SUKHU, CHIEF MINISTER

'Controlled corruption, rolled out schemes to improve financial health'

PRATIBHA CHAUDHAN
TRIBUNE NEWS SERVICE

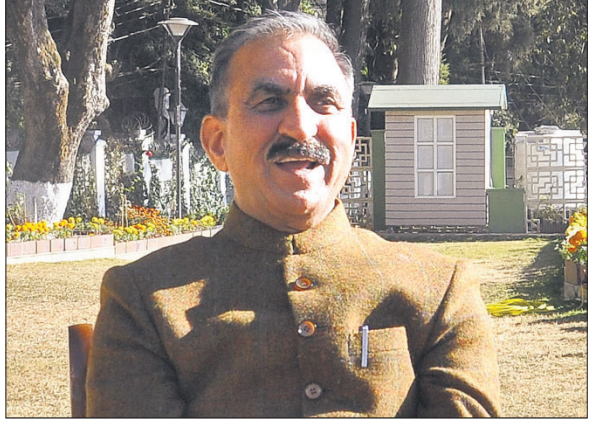

SHIMLA, DECEMBER 5

The Congress government has faced a political upheaval and financial constraints in its first two years in office but Chief Minister Sukhvinder Singh Sukhu is optimistic that the decisions taken by his Cabinet to make Himachal self-reliant will yield positive results.

In an exclusive interview with *The Tribune*, the Chief Minister shared the road map for the next three years to not only fulfil the remaining guarantees but also ensure that the financial health of the state improves and the rural economy is strengthened.

■ What are your biggest achievements in the first two years of rule?
It has been my dream to bring about 'Vyavastha parivartan' for laying the foundation of a self-reliant Himachal, the results of which are becoming visible. We had inherited a debt-ridden state where it was difficult to even meet day-to-day expenses. In the first two years, we were

TWO YEARS OF CONGRESS GOVT

able to generate an additional revenue of Rs 2,200 crore. It is only by making Himachal self-reliant that we can ensure the welfare of every section of society that the previous BJP regime failed to do.

■ What are the priority sectors and targets of the road map for the next three years?

We will promote tourism, hydropower, food processing, dairy and data storage industries. The thrust will be on strengthening the rural economy and for which an MGNREGA wages have been raised, milk procure-

ment and the MIS for wheat and maize have been increased. The thrust will be on the hydropower sector but by seeking our legitimate rights. The SJVNL has become a company with Rs 6,700 crore turnover through hydropower in Himachal while our budget is mere Rs 5,800 crore. We are strengthening tourism infrastructure to generate job avenues.

■ The resource crunch is the biggest impediment faced by your government. How will you improve it with little hope of help from the Centre?
Initially, we did face a prob-

lem but now we have passed that stage. We have now developed our resources, irrespective of any help pouring in from the Central Government. We launched many new schemes and ended corruption, thus improved the financial health of the state.

No Chief Minister is permanent but the interests of the state must be protected at all cost. So, I have demanded higher free power from the Luhri, Dhuala Sidh, Sunni and Duggar hydroelectric projects. All our plans might not fructify but a major leap has been taken to make Himachal self-reliant. We will get Rs 1,000 crore from the Shong Tong project from 2026, Rs 500 crore from solar power and enhanced revenue from hydropower.

■ How has your government generated resources and cut wasteful expenditure?
It is through fiscal prudence and discipline that several corrective measures have been taken to bring the derailed economy on track and positive results are becoming visible. We should ask the BJP

what decisions it had taken in the interest of common people.

We are spending Rs 27,000 crore every year on salaries and pensions of the employees. Our annual budget is Rs 58,000 crore with a hole (shortfall) of Rs 4,000 crore due to the non-receipt of the anticipated income from areas like water cess, which added to our financial problems.

In June 2022, the BJP regime had distributed freebies but I took a bold decision to reimpose the withdrawn VAT on diesel, withdrew power subsidy from income tax payers and charged commercial water rates from hotels and industry in rural areas.

■ Will you continue with the harsh decision to withdraw subsidies from the rich and income tax-payers?
There is a misconception that subsidies help win elections. I firmly believe that the economically weaker sections of society must get all benefits and the well off people must be excluded. I will not hesitate to take more such decisions in the interest of the state.

Chief Minister Sukhvinder Singh Sukhu with medal winners of international games at a ceremony in Shimla on Thursday. TRIBUNE PHOTO

CM gives away ₹14.77 cr to 21 medal winners

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

Chief Minister Sukhvinder Singh Sukhu today gave away cash rewards amounting to Rs 14.77 crore to 21 international medal winners at a function organised here today. He said that the state government was committed to rewarding the struggles of sportspersons and fostering a strong sports culture in the state.

Sukhu said, "My government has made an unprecedented increase in the prize money to encourage players and inspire the youth to participate in sports. The prize money for athletes overcoming physical challenges has been increased eightfold to bring it

on a par with the reward for able-bodied players."

He said that the prize money for gold medal winners in the Olympics, Winter Olympics and Paralympics had been increased from Rs 3 crore to Rs 5 crore while the silver and bronze medalists would now receive Rs 3 crore and Rs 2 crore, respectively. "For the Asian Games and the Para Asian Games, the prize money for the gold medalists had been increased from Rs 50 lakh to Rs 4 crore, from Rs 30 lakh to Rs 2.50 crore for silver medalists and from Rs 20 lakh to Rs 1.50 crore for the bronze medalists. The Commonwealth Games medalists will now get Rs 3 crore, Rs 2 crore and Rs 1 crore for gold, silver, and bronze medals,

respectively," he added.

Sukhu said his government had also hiked the diet money for players. "The Under-17 and under-19 players now receive Rs 400 and Rs 500 per day for the state and national-level competitions as compared to Rs 150 and Rs 250 earlier. For under-14 players, the allowance has been increased to Rs 250 and Rs 400 from Rs 120 and Rs 250," he added.

He said that sportspersons staying in hostels were now getting Rs 400 per day. Besides, the government had also revised the travel allowances — players are entitled to the AC three-tier fare for distances up to 200 km and the economy class airfare for longer distances.

Baddi SP's leave extended again

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

Baddi SP Ilma Afroz, who has been on leave for over a month has been granted another leave extension of a week. A senior police officer confirmed that the SP had applied for leave extension and the department has approved it.

Initially, Afroz was granted a 15-day leave that began on November 7. However, on the completion of her leave, she was granted leave extension for a week till November 28. Similarly, on November 29, her leave was once again extended for a week and now, another extension has been granted to her. As per the Police Depart-

Afroz was granted 15-day leave from November 7

ment, she was granted leave as she wanted to visit her hometown in Uttar Pradesh to attend her mother, who was said to be unwell. The Police Department confirmed it after reports of the SP's rift with a Congress MLA started to make news. At present, Vinod Kumar, Commandant of 8th Battalion, Home Guards in Chamba district, has been overseeing police operations in Baddi. He has been given the responsibility till Afroz resumes her duties on her return from leave.

Rain, snowfall likely from Dec 8

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

The prolonged dry spell in the state is likely to end in the next couple of days. As per the Weather Department, precipitation is "very likely" to commence from the night of December 7 and continue till December 9, with intensity to peak on December 8.

Scattered to fairly widespread precipitation of light to moderate intensity along with thunderstorm/lightning is very likely over most parts of the state during this period. Light rain/snowfall is likely in Shimla city and light to moderate snowfall in Kufri and adjoining areas on December 8 and 9. Light to moderate rainfall

is likely in the plains and low hills, and light to moderate rainfall/snowfall in the mid and high hills of the state during the period. Snowfall is very likely in the districts of Lahaul-Spiti and Kinnaur and the higher reaches of Chamba, Kangra, Kullu, Mandi, Shimla and Sirmour districts. The precipitation is likely to decrease signifi-

cantly from December 10.

There is a probability of moderate to dense fog over some parts of the reservoir area of the Bhakra Dam (Bilaspur) and the Balh valley (Mandi) early morning on December 10. There can be traffic congestion and disruption in essential services and communication facilities in the higher reaches.

Traffic beyond Darcha allowed only today

MANDI, DECEMBER 5

Lahaul-Spiti SP Mayank Chaudhary said that based on the weather forecast, tourists would be allowed to travel beyond Darcha to Zingzangbar on the Manali-

Leh highway only until tomorrow.

It was decided at a virtual meeting held between the administrations of Lahaul and Spiti, Leh and Kargil (UT Ladakh) yesterday. — TNS

The Tribune INTERVIEW: SUKHVINDER SINGH SUKHU, CHIEF MINISTER

'Controlled corruption, rolled out schemes to improve financial health'

PRATIBHA CHAUDHAN
TRIBUNE NEWS SERVICE

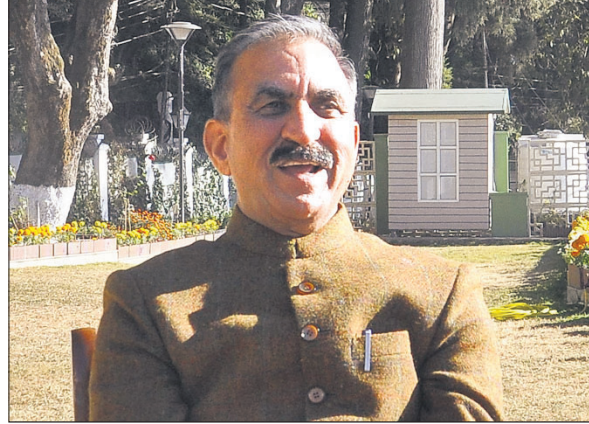

SHIMLA, DECEMBER 5

The Congress government has faced a political upheaval and financial constraints in its first two years in office but Chief Minister Sukhvinder Singh Sukhu is optimistic that the decisions taken by his Cabinet to make Himachal self-reliant will yield positive results.

In an exclusive interview with *The Tribune*, the Chief Minister shared the road map for the next three years to not only fulfil the remaining guarantees but also ensure that the financial health of the state improves and the rural economy is strengthened.

■ What are your biggest achievements in the first two years of rule?
It has been my dream to bring about 'Vyavastha parivartan' for laying the foundation of a self-reliant Himachal, the results of which are becoming visible. We had inherited a debt-ridden state where it was difficult to even meet day-to-day expenses. In the first two years, we were

TWO YEARS OF CONGRESS GOVT

able to generate an additional revenue of Rs 2,200 crore. It is only by making Himachal self-reliant that we can ensure the welfare of every section of society that the previous BJP regime failed to do.

■ What are the priority sectors and targets of the road map for the next three years?

We will promote tourism, hydropower, food processing, dairy and data storage industries. The thrust will be on strengthening the rural economy and for which an MGNREGA wages have been raised, milk procure-

ment and the MIS for wheat and maize have been increased. The thrust will be on the hydropower sector but by seeking our legitimate rights. The SJVNL has become a company with Rs 6,700 crore turnover through hydropower in Himachal while our budget is mere Rs 5,800 crore. We are strengthening tourism infrastructure to generate job avenues.

■ The resource crunch is the biggest impediment faced by your government. How will you improve it with little hope of help from the Centre?
Initially, we did face a prob-

lem but now we have passed that stage. We have now developed our resources, irrespective of any help pouring in from the Central Government. We launched many new schemes and ended corruption, thus improved the financial health of the state.

No Chief Minister is permanent but the interests of the state must be protected at all cost. So, I have demanded higher free power from the Luhri, Dhuala Sidh, Sunni and Duggar hydroelectric projects. All our plans might not fructify but a major leap has been taken to make Himachal self-reliant. We will get Rs 1,000 crore from the Shong Tong project from 2026, Rs 500 crore from solar power and enhanced revenue from hydropower.

■ How has your government generated resources and cut wasteful expenditure?
It is through fiscal prudence and discipline that several corrective measures have been taken to bring the derailed economy on track and positive results are becoming visible. We should ask the BJP

what decisions it had taken in the interest of common people.

We are spending Rs 27,000 crore every year on salaries and pensions of the employees. Our annual budget is Rs 58,000 crore with a hole (shortfall) of Rs 4,000 crore due to the non-receipt of the anticipated income from areas like water cess, which added to our financial problems.

In June 2022, the BJP regime had distributed freebies but I took a bold decision to reimpose the withdrawn VAT on diesel, withdrew power subsidy from income tax payers and charged commercial water rates from hotels and industry in rural areas.

■ Will you continue with the harsh decision to withdraw subsidies from the rich and income tax-payers?
There is a misconception that subsidies help win elections. I firmly believe that the economically weaker sections of society must get all benefits and the well off people must be excluded. I will not hesitate to take more such decisions in the interest of the state.

Chief Minister Sukhvinder Singh Sukhu with medal winners of international games at a ceremony in Shimla on Thursday. TRIBUNE PHOTO

CM gives away ₹14.77 cr to 21 medal winners

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

Chief Minister Sukhvinder Singh Sukhu today gave away cash rewards amounting to Rs 14.77 crore to 21 international medal winners at a function organised here today. He said that the state government was committed to rewarding the struggles of sportspersons and fostering a strong sports culture in the state.

Sukhu said, "My government has made an unprecedented increase in the prize money to encourage players and inspire the youth to participate in sports. The prize money for athletes overcoming physical challenges has been increased eightfold to bring it

on a par with the reward for able-bodied players."

He said that the prize money for gold medal winners in the Olympics, Winter Olympics and Paralympics had been increased from Rs 3 crore to Rs 5 crore while the silver and bronze medalists would now receive Rs 3 crore and Rs 2 crore, respectively. "For the Asian Games and the Para Asian Games, the prize money for the gold medalists had been increased from Rs 50 lakh to Rs 4 crore, from Rs 30 lakh to Rs 2.50 crore for silver medalists and from Rs 20 lakh to Rs 1.50 crore for the bronze medalists. The Commonwealth Games medalists will now get Rs 3 crore, Rs 2 crore and Rs 1 crore for gold, silver, and bronze medals,

respectively," he added.

Sukhu said his government had also hiked the diet money for players. "The Under-17 and under-19 players now receive Rs 400 and Rs 500 per day for the state and national-level competitions as compared to Rs 150 and Rs 250 earlier. For under-14 players, the allowance has been increased to Rs 250 and Rs 400 from Rs 120 and Rs 250," he added.

He said that sportspersons staying in hostels were now getting Rs 400 per day. Besides, the government had also revised the travel allowances — players are entitled to the AC three-tier fare for distances up to 200 km and the economy class airfare for longer distances.

Baddi SP's leave extended again

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

Baddi SP Ilma Afroz, who has been on leave for over a month has been granted another leave extension of a week. A senior police officer confirmed that the SP had applied for leave extension and the department has approved it.

Initially, Afroz was granted a 15-day earned leave that began on November 7. However, on the completion of her leave, she was granted leave extension for a week till November 28. Similarly, on November 29, her leave was once again extended for a week and now, another extension has been granted to her. As per the Police Depart-

Afroz was granted 15-day earned leave from November 7

ment, she was granted leave as she wanted to visit her hometown in Uttar Pradesh to attend her mother, who was said to be unwell. The Police Department confirmed it after reports of the SP's rift with a Congress MLA started to make news. At present, Vinod Kumar, Commandant of 8th Battalion, Home Guards in Chamba district, has been overseeing police operations in Baddi. He has been given the responsibility till Afroz resumes her duties on her return from leave.

Rain, snowfall likely from Dec 8

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 5

The prolonged dry spell in the state is likely to end in the next couple of days. As per the Weather Department, precipitation is "very likely" to commence from the night of December 7 and continue till December 9, with intensity to peak on December 8.

Scattered to fairly widespread precipitation of light to moderate intensity along with thunderstorm/lightning is very likely over most parts of the state during this period. Light rain/snowfall is likely in Shimla city and light to moderate snowfall in Kufri and adjoining areas on December 8 and 9. Light to moderate rainfall

is likely in the plains and low hills, and light to moderate rainfall/snowfall in the mid and high hills of the state during the period. Snowfall is very likely in the districts of Lahaul-Spiti and Kinnaur and the higher reaches of Chamba, Kangra, Kullu, Mandi, Shimla and Sirmour districts. The precipitation is likely to decrease signifi-

cantly from December 10.

There is a probability of moderate to dense fog over some parts of the reservoir area of the Bhakra Dam (Bilaspur) and the Balh valley (Mandi) early morning on December 10. There can be traffic congestion and disruption in essential services and communication facilities in the higher reaches.

Traffic beyond Darcha allowed only today

MANDI, DECEMBER 5

Lahaul-Spiti SP Mayank Chaudhary said that based on the weather forecast, tourists would be allowed to travel beyond Darcha to Zingzangbar on the Manali-

Leh highway only until tomorrow.

It was decided at a virtual meeting held between the administrations of Lahaul and Spiti, Leh and Kargil (UT Ladakh) yesterday. — TNS
